The Montana Council of Teachers of Mathematics has begun compiling a list of students that took the 9th through 11th grade MCTM contest tests. This list will be provided to colleges upon request. Colleges will use the information to send you information on their programs and majors and to share information about potential scholarships with you. The information we will release will include the information on this form and your percentile rank on the 2018 math contest. If you do want MCTM to share this information with colleges

1. Go to <http://tinyurl.com/MCTM2018> to provide your information
2. Have your parent or guardian sign the form below and give the form to your regional contest director

Printed Student name _____

Printed Parent/Guardian name _____

Parent/Guardian signature _____

If you change your mind about sharing your information or have any questions, please contact the state contest director.
